

OUR BIODIVERSITY STRATEGY

Vision: The most biodi erse campus in the United Kingdom.

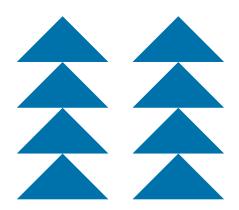

OUR BIODIVERSITY POLICY

This Biodi ersit Polic sets out the ke institutional principles that e are adopting in order to realise our strategic ision of being the most biodi erse campus in the United Kingdom. The are designed to help us achie e a biodi ersit net gain through specific actions such as

MISSION STATEMENT

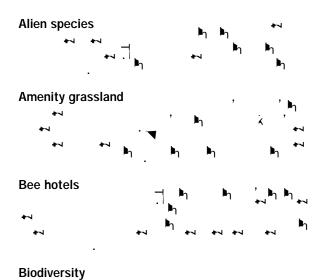

ENABLING THE DELIVERY OF PRACTICAL BIODIVERSITY PROJECTS

The Uni ersit of Susse is committed to continuing to support student and staff-led practical biodi ersit initiati es on campus.

GLOSSARY OF BIODIVERSITY TERMS

CATEGORIES OF LAND MANAGEMENT INTENSITY

The follo ing categories of land management intensit ere proposed b leading academics in the field of biodi ersit. We used them to understand and map our estate in relation to biodi ersit, and ill continue to use them to classif our estate as e take action to meet our stated objecti es.

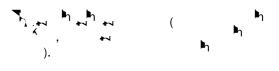

A. Amenity management

B. Reduced mowing areas

C. Low management areas (flower-rich downland and hay meadow)

ALIEN SPECIES: DEFRA LIST OF INVASIVE NON-NATIVE SPECIES

The follo ing lists of animal and plant species are taken from the DEFRA guidance on in asi e non-nati e species as of Februar 2023. We ill acti el monitor our campus for the presence of these species ith the aim to limit their impact on nati e biodi ersit .

PLANT SPECIES - WIDELY SPREAD

Common name	Scientific name
American skunk cabbage	b o
Chilean rhubarb	•
Curly waterweed	¬
Floating pennywort	# · ·
Giant hogweed	~
Himalayan balsam	*
Nuttall's waterweed	H **
Parrot's feather	¬ ,

PLANT SPECIES - NON WIDELY SPREAD

Common name	Scientific name
Alligator weed	, T , b 1 b 1 **
Asiatic tearthumb	3. p. p
Balloon vine	• N N 4
Broadleaf watermilfoil	¬,
Broomsedge bluestem	₹
Chinese bushclover	,

PLANT SPECIES - NON WIDELY SPREAD (CONTINUED)

Common name	Scientific name
Mesquite	1 , 4
Perennial veldt grass	պ j հղեղ
Persian hogweed	
Purple pampas grass	• ••
Salvinia moss	j
Senegal tea plant	6 k ₁~
Sosnowsky's hogweed	· · · · · · · · · · · · · · · · · · ·
Tree of Heaven	T
Vine-like fern	J. 3-7
Water hyacinth	щ ј . в а
Water-primrose	
Whitetop weed
